

# 24<sup>TH</sup> ANNUAL SEMINAR FOR LEGAL PROFESSIONALS

## The Paralegal Profession: The Real World

### ATTENDEE REGISTRATION PACKET

This year, the courses offered at SCUPA's 24<sup>th</sup> Annual Seminar for Legal Professionals are focused on providing "Real World" practical knowledge, applications, and instruction. Our workshops will teach hands-on advice, tips, and techniques that will improve your efficiency and skills and enhance your overall performance.

We think you will find this year's course offerings useful and interesting!

SCUPA's annual seminar provides the benefit of legal education, networking, and professional development through presentations by Greenville area attorneys and professionals.

This is a great day to learn valuable information and gain knowledgeable experience. Our prices remain a cost-effective means to attend courses and earn CLE credits to maintain professional designations, such as the Certified Paralegal (CP) and South Carolina Certified Paralegal (SCCP). In addition, you will have the opportunity to network with other paralegals, legal staff, attorneys, vendors, and professionals from all around the upstate region.

***SCUPA is an Accredited Sponsor with the South Carolina Board of Paralegal Certification. Our educational events automatically qualify for SC Certified Paralegal Continuing Paralegal Education (CPE) hours.***

***We will seek approval from NALA – The Paralegal Association for Certified Paralegal Continuing Legal Education (CLE) hours.***

Please review our attendee package and feel free to contact [seminar@scupa.org](mailto:seminar@scupa.org) with any questions. We hope you will be able to attend this year and look forward to a great event!
