

27TH ANNUAL SEMINAR FOR LEGAL PROFESSIONALS

ATTENDEE REGISTRATION PACKET

Your career in the legal field may sometimes make you feel like a first-year rookie, but, with practice, a little skill and a solid knowledge of the fundamentals, anyone can become a paralegal all-star. The wide range of courses offered at SCUPA's 27th Annual Seminar for Legal Professionals will provide attendees with the coaching necessary to help paralegals avoid striking out and hit a career path home run.

We hope you will find the workshops offered for this year interesting and useful!

SCUPA's annual seminar provides the benefit of legal education, networking, and professional development through presentations by South Carolina attorneys and professionals.

Our prices remain a cost-effective means to attend courses and earn CLE credits to maintain professional designations, such as the Certified Paralegal (CP) and South Carolina Certified Paralegal (SCCP). In addition, you will have the opportunity to network with other paralegals, legal staff, attorneys, vendors, and professionals from all over the upstate region.

SCUPA is a NALA Affiliated association. NALA historically certifies between 5.5 to 6.5 hours of CLE credit for full day attendance at our seminar.

SCUPA is also an Accredited Sponsor with the South Carolina Board of Paralegal Certification. Our educational events qualify for SC Certified Paralegal Continuing Paralegal Education (CPE) hours.

Please review our attendee package and feel free to contact seminar@scupa.org with any questions. We hope you will be able to attend this year and look forward to a great event!
